

ECAir and MoMo Partner to Simplify Air Ticket Purchase

Brazzaville, June 18, 2024 - ECAir, the national airline of Congo, and MoMo, MTN's mobile money solution, today announced a partnership that will allow passengers to purchase their air tickets more easily than ever before.

Passengers can now purchase their tickets and travel to Brazzaville, Pointe-Noire and Ollombo using their MoMo account. Air tickets are now available on the ECAir website [www.fly-ecair.com], on the [Fly ECAir mobile app](#) and via MoMo.

"This partnership with MoMo is a major step for ECAir," said an ECAir board member. "We are always looking for ways to improve our passenger experience, and this new payment method will make the ticket purchase process simpler and more convenient."

"We are delighted to partner with ECAir to offer our customers an easier way to pay for their travel," said Diderot LITSOKI, Head of Payment Products at MoMo. "MoMo is the most popular mobile money solution in Congo, and we are confident that this partnership will allow even more people to discover ECAir's flights."

In addition to the convenience, payment by MoMo also offers passengers a number of advantages, such as:

- **Increased security:** MoMo transactions are protected by advanced encryption, ensuring the security of passenger information.
- **Speed and simplicity:** MoMo payments are instant and do not require any manual entry of credit card information.
- **Convenience:** Passengers can pay for their air tickets from anywhere, at any time, using their mobile phone.

With this new partnership, ECAir and MoMo are committed to offering Congolese passengers a simpler, more convenient and more secure travel experience.

About ECAir

ECAir is the national airline of Congo. It offers flights to domestic and international destinations, as well as a wide range of in-flight services. ECAir is committed to providing its passengers with a safe, comfortable and affordable travel experience.

About MoMo

Momo is the most popular mobile payment solution in Congo. It allows users to send and receive money, pay for goods and services, and access a wide range of other financial services. Momo is a subsidiary of MTN Group, one of the leading telecommunications operators in Africa.
